Essential Skills

The ability to read, write and count are essential skills and knowledge you need to operate effectively in everyday life and at work.

Achieving the Essential Skills qualification in Literacy and Numeracy is the first step towards gaining a GCSE qualification. Courses range from Entry Level to Level 1 / Level 2, so there is a course to suit everyone. Before the course begins, the tutors who are experienced in working with adults will identify the level that best meets your needs.

This will enable you to start at an appropriate level and pace, build skills and progress towards your full potential. Students undertake a range of interesting practical activities on every day topics, for example health, customer care, shopping or buying a car. Courses lead to nationally recognised qualifications.

No Tuition Fees

Essential Skills courses are **100% FREE** and offered at a number of convenient locations throughout the North West.

A man with a beard and a white chef's shirt and black apron is smiling in a kitchen. He is standing behind a stainless steel counter with a large metal bowl of salad in front of him. The background shows kitchen cabinets and a refrigerator.

There was a sense of community and a warm relaxing atmosphere throughout. In 3 words my experience was fun, exciting and therapeutic!
